**World Book Day Thursday 6th March** - We are hoping to mark this day in some way in school, as 2008 is the National Year of Reading. Please watch this space for further information....

**School Improvements** - After six months we are relieved finally to see an end to the re-roofing work. We have certainly noticed a difference in the temperature within school due to the new insulation! We are hoping to have some work done to repair the playground surface in the near future. During the Easter holiday we are hoping to start some work on revamping the children's toilets.

**We hope you enjoy your half term break and look forward to welcoming you back on Monday 18th February.**

**Gardening Club** - Lunchtime Gardening Club will restart after half term on Mondays. This club is for all year groups. If your child is interested please ask them to see Mrs Smith.

**Important Message** - We have been informed of an incident that occurred outside a Primary School in Lowestoft and would like to make you aware of the problem. We understand a couple waited in a car outside the school until parents went in to collect their children. They then broke into the parents' cars and stole belongings such as handbags and mobile phones. So please be vigilant.

**Art Shirts** - If you have any unwanted men's shirts we would be pleased to take them off your hands to use for Art!

**Are you or do you know** of any Registered Childminders in the local area? This is something we are often asked and we are not currently aware of anyone.

**Parent Partnership Service** will be offering drop in ses-

sions for parents/carers on Thursday mornings at 72 North Street, Sudbury from 10am until 12 noon (not during half term week). For further information please see the flyer on the parent notice board in the entrance hall.

**Please can you help?** Are you able to spare any time first thing in the morning to help listen to readers in Class 2? Please have a word with Miss Perkins if you are able to help.

**Travel plan** - We are currently drawing up our School Travel Plan. If anyone has any comments or suggestions to be included in the plan, or any suggestions as to how we can encourage walking and/or cycling to school we would be very grateful.

**Well done** to Emily Sharp who was awarded level 3 swimming badge and her 10m badge, Sapphire Raffle who swam a whole length without armbands, Ella Braybrook who passed her Grade 1 Ballet Exam and Bronte Manning who was awarded her Water Skills badge. Congratulations to you all.
