Uniform- Children are wearing lots

of new uniform in school at the moment. Can we please ask you to ensure that all items are named so that we can return any strays to their rightful owners. Should you be missing any items our lost property box is located on a shelf in the library area.

Spares- Thank you to those people who have brought in their unwanted uniform. Please feel free to come and have a look through the box which is also located in the library.

A Plea- Class 3 have been selected to take part in a new and exciting recycling project this term. During the term we will need to collect various recyclable items and would ask you to please watch out on the electronic notice board for any requests. The first items needed are a variety of bottle tops and ring pulls. There will be a collection box in reception.

Collections - We are now collecting book to-

kens from the Times and Sunday Times, there is a collection box next to Class 2. If you were fortunate enough to get a new mobile phone for Christmas, we continue to recycle old ones! We are also still collecting Nes-tle Box Tops and empty inkjet cartridges.

School Meal Payments - Thank you for your co-operation in making school meal payments on Mondays and Tuesdays. This has made a great deal of difference to Mrs Battye's workload, please can we ask for your continued support in this. Please also remember that you can pay for your such meals on line by logging on to www.myschoollunch.co.uk. If you would like more information please collect a leaflet from the school office.

Don't forget to let us know if your child does anything special out of school that we can celebrate in our monthly newsletters.
